

The Beyer Buzz

Week of: September 19th, 2022

We had a great week last week learning all about Laura Numeroff's books "If You Give a ...". We learned all about Chain Reactions, and got to put that into practice with dominoes! If you have dominoes at home, I would encourage you to pull them out and let them practice setting them up and watching the chain reaction take place. It can be hard, but there is a lot of learning that takes place in the struggle!

Every student needs to bring a snack each day. On Thursdays we have a snack sale at LFCS! Each snack is .25 cents. There are a variety of individually packaged snacks like fruit snacks, chips, granola bars and other fun items. This is a fundraiser for the hosting class. The snacks are sold right before recess time. If you would like your child to be able to purchase a snack, you can send your child to school with a quarter in a baggie with their name on it, on Thursdays.

Starting this Friday, students will be able to check out a Library book IF they have turned in their pink library permission slip. If they haven't signed it yet, the Librarian sent another one home with your child this past Friday. Please make sure to fill it out and turn it in. If you already signed it when school started, you don't need to worry about it :)

Excited for all the fun to come as we dive deeper into the Wonderful World of Kindergarten! :)

Let me know if you have any questions!
