

The Beyer Buzz

Week of: September 6th, 2022

Hope you all enjoyed your well-deserved 3 day break! Our kiddos have been working so hard this 2nd week of school with all we've learned! We had a fun week getting to know each other, recognizing and reviewing shapes and letters, and learning how to be a classroom family! They have been doing so great! We read books about how it feels to be a Kindergartener, how Gingerbread men escaped the classroom, the ABC's and lots of other fun stories. We introduced centers and bins and have been doing a lot of exploring!

Back to School Night is **TONIGHT!** There will be 2 sessions, at 6pm and 6:30pm. If you have children in upper grades we recommend you go to their sessions first, and then come to ours. This is a **parent only** event...so please plan to have a babysitter for your child. No Kids please.

Please remember students need to complete their homework every week. Homework is collected in folders every Friday morning and returned on Monday with new homework, information, newsletters and other important paperwork. Also, please remember to send your child with a **HEALTHY**, nutritious snack every day like apples, cheese and crackers, fruit, vegetables, etc. This helps set them up for success to do their best each day!

Thank you for your patience as we do pick up and drop off :) Please make sure your child can buckle their seatbelt independently. If they can't, please pull off to the side after they've been placed in your car, so our traffic can continue to flow smoothly. Thank you!

Let me know if you have any questions!

Notes and Reminders

Theme: Beginning School

Language Arts: Classmates' Names, Continued
Introduction to the Alphabet

Sight Word: I, Can
