Week of: November 1st, 2022

Welcome back! Hope you all had a fabulous Fall Break and had a chance to relax, spend time with your child and do some fun things! We had a great time at our Kindergarten Pumpkin Patch. I know the students enjoyed it...It's always so fun to see them dressed up and partake in all the fun festivities for the day! :)

This next Friday, November 11th we will be celebrating Veteran's Day at school. We will have a Veteran's Day parade. Parents are encouraged to decorate their cars and drive by the front of the school on Washington, honking as we parade! On this day, all children should wear red, white, and blue (does not have to be uniform but NO jeans). Go crazy...colorful ribbons, hair ties, socks, belts, face paint...you could even make their hair red, white, and blue! We will learn about what Veterans do and the sacrifices they make. This is a special day and we honor those who serve!!! Stay tuned for more details :)

As we return from break, please take time to review all we have learned so far with your child. They should be able to recognize their letters and sight words we've learned as well as write their name. These are important foundational building blocks for the weeks and months to come :) We will be beginning to assess students learning as we prepare for Report Cards and Student-Led Conferences in December. Please make every effort to have your student be at school for the next few weeks while I complete those assessments!

Let me know if you have any questions!
